## Board of Trustees Authorizes Synagogue Dinner-Dance and Journal for November 1977 Goldman, Tompkins, Fier and Goldstick in Charge of Planning

The Board of Trustees has unanimously voted to hold a formal Dinner-Dance and to publish a Dinner-Journal in November 1977. The trustees expressed the hope that this major social event would achieve

two goals: to bring about a closer relationship among members and, at the same time, produce substantial revenues for the synagogue.

To direct planning, Mr. George M. Shapiro, Chairman of the Board of Trustees, has appointed core committees to accept responsibility for planning the details essential to insure the success of this event. Additional members will be invited as the planning moves ahead.

## George M. Shapiro to Receive Learned M. Hand Award At Dinner of Lawyers Division of American Jewish Committee

Mr. George M. Shapiro, Chairman of the Board of Trustees of Park Avenue Synagogue, will be the guest of honor at a dinner, Tuesday, January 18, at the Waldorf-Astoria. Mr. Shapiro, a distinguished member of the Bar in New York, will receive the Learned Hand Human Relations Award at a dinner sponsored by the Lawyers Division of the American Jewish Committee. Dr. William J. McGill, President of Columbia University, will give the major address. Rabbi Judah Nadich will deliver the invocation and the benediction.

Mr. Shapiro was awarded his college degree at Long Island University *cum laude* and was graduated from Columbia Law School where he was a Kent Scholar. After service in the Air Force, he served on the staff of the late Thomas E. Dewey as Counsel to the Governor—the youngest person ever to hold the office. Since 1955, Mr. Shapiro has been a partner in the firm of Proskauer Rose Goetz and Mendelsohn, attorneys in New York City where he specializes in international and corporate law.

Mr. Shapiro has served as an adviser to Governor Rockefeller, Mayor Lindsay and, as a member of the Mayor's Committee on the Judiciary, designed a panel to recommend candidates for judicial positions in the City Courts. Today he serves as President of the Edmond de Rothschild Foundation, President of La Compagnie Financiere of New York, a director of the Bank of California and of the Israel Discount Trust Co. For sixteen years he

has served as chairman of the Council for the State University College of Medicine in Brooklyn, and on the Board of Trustees of Long Island University, and as a member of the Board of Visitors and of the Board of Trustees, Columbia Law School. Mr. Shapiro, in spite of his busy schedule, has always found time to take an active interest in Israel. In 1962 he received a citation from the American-Israel Chamber of Commerce "in recognition of a major contribution to United States-Israel economic relations and to the economy of Israel through the advancement of the petroleum industry". ### A Note from Hazzan David J. Puttermann

Dear good Friends:

I was pleased indeed to learn from the *Bulletin* that Mr. Abraham Kaplan has been engaged to organize, develop and train a Synagogue Chorale from its membership. This will add another dimension to the cultural enrichment of its members, as active singing participants under the guidance and direction of a master choral conductor, Mr. Abraham Kaplan, who will instill within them a love for Jewish music.

Mr. Kaplan is not new to our congregants. For the past several years he has conducted our augmented choir annually when we presented World Premiere Performances of Friday evening services of New Liturgical Music by contemporary composers commissioned by us.

These new musical works, together with many others comprise a veritable treasure that has been accumulated over more than four decades and has been left at the Synagogue in the care of Hazzan Lefkowitz.

I am confident that under the direction of Hazzan Lefkowitz and Mr. Kaplan a new chapter will be written in the annals of our Synagogue to the enrichment of Synagogue music and the enhancement of Jewish worship.

With warmest personal regards,

Affectionately,

David J. Puttermann  
Hazzan Emeritus

Port Authority of New York and New Jersey as honored him for his efforts in the establishment of the World Trade Center.

A brilliant lawyer, Mr. Shapiro follows in the tradition of the famous Judge Learned Hand who was dedicated to the principle of liberty under law. The American Jewish Committee is "proud to honor George M. Shapiro for his contributions to the cause of human rights. Mr. Shapiro has manifested a dedication to the highest principles of liberty under law in the spirit of the career of Judge Learned M. Hand, whose career exemplified his theory that right knows no boundaries and justice no frontiers".

Park Avenue Synagogue congratulates Mr. Shapiro on this special occasion—a well deserved tribute and testimonial of the respect with which he is held by the members of the Bar. He now joins the ranks of two brilliant members of our synagogue honored by the American Jewish Committee—the late Judge Bernard Botein and the Honorable Simon H. Rifkind.

We know that our congregants will want to attend the dinner on January 18, to pay tribute to Mr. Shapiro, who has given dedicated service to Park Avenue Synagogue for many years and is now serving as Chairman of the Board of Trustees. For reservation and further information, please phone Mr. Seymour Rich, PL 1-400-Est. 381. There will be no solicitation of funds.

## Bequest from Dorothy Tausend Estate Starts General Endowment Fund for the Synagogue

A bequest from the Estate of Dorothy M. Tausend was used as the first deposit for the newly established General Endowment Fund of the Synagogue. The General Endowment Fund was authorized by the Board of Directors of the Synagogue and activated earlier this year to enhance the financial stability of the Synagogue. The monies in the Endowment Fund will be maintained separately in a Trust Account and invested in income-producing securities. The income from the Fund will be used for the support of the Synagogue.

A number of members are planning gifts to the Endowment Fund and the proceeds from the sale of the cooperative apartment which had been occupied by Cantor David Puttermann will also be deposited in the Endowment Fund.

Persons interested in making a gift to the Endowment Fund are invited to speak to William Sherman, Chairman of the Law Committee of the Synagogue, or Mr. Gerald Silbert, a Vice President of the Synagogue. Both gentlemen are skilled in the handling of gifts and memorials.

The full text of the resolution establishing the General Endowment Fund is set forth in the next column:

### Resolution For The Establishment Of A General Endowment Fund

WHEREAS, the Board of Trustees believes that the future financial strength of the Synagogue would be aided by the establishment of a General Endowment Fund to serve as a depository for contributions.

#### BE IT RESOLVED:

That in order to enhance the financial stability of the Synagogue, there is hereby established a separate fund to be known as the "General Endowment Fund of the Park Avenue Synagogue"; and

That the Endowment Fund shall serve, in appropriate cases, as a depository for contributions made to the Synagogue.

#### BE IT FURTHER RESOLVED:

That a Committee of the Board of Trustees is hereby established, the members of which shall consist of the Chairman of the Board, the Treasurer and the Chairman of the Finance Committee of the Synagogue who shall serve as the Endowment Committee;

That the Endowment Committee shall invest the corpus and the income derived from the Endowment Fund; and

That the Endowment Committee shall solicit contributions to the Endowment Fund, supervise its management and investment, and, from time to time, make recommendations to the Board of Trustees concerning requests for appropriations of principal and income to be made from the Endowment Fund.

Income and, to the extent necessary, principal, may be expended upon the approval of the Board of Trustees of the Synagogue and used to support activities as shall, in the judgment of the Board of Trustees, be deemed in the best interests of the Synagogue. Expenditures of principal may be made only with the approval of two-thirds of the members of the Board of Trustees.

The Endowment Fund shall serve as a depository for (1) all funds specifically designated for the Endowment Fund by the donor; (2) all funds accepted for the Endowment Fund by the Committee; and (3) all funds accepted pursuant to policies established by the Board of Trustees.

## Lecture On Zionism By Mrs. Judah Nadich Tuesday, January 25 — 10:30 A.M.

**Mrs. Martha Hadassah Nadich** will give the final lecture of her series on "What is Zionism?" on Tuesday morning, January 25, from 10:30 - 12 noon in the Sisterhood Lounge. The course sponsored by Sisterhood has proved very popular not only because Mrs. Nadich is an excellent speaker, always well informed on her subject, but also because

the subject is of special importance because of attacks on Zionism in the U.N.

Sisterhood is very grateful to Mrs. Nadich for the time and effort she has given to make the series of four lectures possible. At the conclusion of this final meeting, refreshments will be served during a social hour which will follow the lecture.

**Your contribution to the Building Fund-Phase II will greatly strengthen our educational programs. Have you sent your pledge?**

## We Take Pride In:

## Our Proposed New Park Avenue Synagogue

In this final article on the proposed new Park Avenue Synagogue, we shall visit the third, fourth, fifth and sixth floors — a floor by floor tour of the improved facilities throughout the existing and the proposed new building.

### The Third Floor: The Elementary School

The Elementary School will have fourteen classrooms on the third and fourth floors. Seven classrooms are on the third floor divided as follows: four (385 sq. ft.) for thirty students, each with removable dividing walls for assembly and one (340 sq. ft.) for twenty-two students. For the first time the Park Avenue Synagogue Religious School will have an art room and a photography dark room. Offices for the principal of the Elementary School and the school administrator will be located on this floor. A boy's washroom, central supply area and storage rooms are also included in the plans for this floor.

### Fourth Floor: Elementary School

On the fourth floor, the Elementary School will have seven classrooms divided as follows: four (385 sq. ft.) each for 25 students; two (450 sq. ft.) each for 30 students, each with removable dividing walls for assembly; one (340 sq. ft.) for 22 students. Each classroom will have its own wardrobe for clothing. A children's Chapel (460 sq. ft.) with a permanent *bima* and ark, storage closet for religious articles, prayer books, prayer shawls and skull caps is one of the highlights of this floor. A Learning Room for special children will have its own self contained lavatory, cot and supply storage area. A boy's washroom and a girl's washroom will also be on this floor.

### Fifth Floor: Early Childhood Center

The fifth floor is devoted to the Early Childhood Center. Here we will have five classrooms: four nursery rooms are designed each to hold 20 students. The nursery rooms include a lavatory, sink, refrigerator and work counters. Removable walls will permit expansion. The fifth nursery room including its own lavatory has been planned for 28 students.

An indoor play area (880 sq. ft.) for 25 students with storage for play equip-

ment and cots is another important feature of this floor. On this floor, too, will be the office of the director of the Early Childhood Center. The plans also include an isolation (infirmary) room; a central storage area and staff washroom.

### The Sixth Floor

Let us now take the elevator to the sixth floor with the *Sukkah* roof-garden and the outdoor recreation area of 3500 sq. ft. as well as an indoor — outdoor recreational activities area where children can play. Lavatories for boys and girls, a custodial workshop and a storage area will also be located on this floor.

### Our Tour Now Comes to an End

The plans are well designed; the need for a new Religious School building clearly evident. Yet to be successful, every member of the synagogue must feel a sense of personal commitment and responsibility. Many have been generous; many have not yet sent their contributions. Park Avenue Synagogue is a leader among Conservative synagogues. You can maintain its position of eminence for years to come by putting the Building Fund Campaign over the top with your generous contribution. The goal is \$3 million. We are now at the half way mark.

To insure the future identification of your children with the high ideals and traditions of Judaism, to build for the future to preserve our Jewish heritage, we hope that you, like so many of our loyal, dedicated congregants will send a generous contribution to Rabbi Judah Nadich at the synagogue office — 50 East 87 Street, New York, N.Y. 10028.

## Ecumenical 1st. Cardinal Addresses Jewish Congregation

CARDINAL COOKE is seen addressing for the first time a Jewish congregation at a Sabbath service on a Friday night at Park Avenue Synagogue in Manhattan. He was the guest speaker at the annual Men's Club Service. Park Avenue Synagogue, which is nearing its 100th birthday, is one of the leading Conservative Jewish congregations in the United States. Its Rabbi is Dr. Judah Nadich, who, during his service as an Army chaplain in World War II, was honored by Pope Pius XII for his service to Catholic military chaplains.

## Mr. and Mrs. Club Visit to Museum on Jan. 18

The Mr. and Mrs. Club is planning a visit to the Whitney Museum on Tuesday evening, January 18, to which members of the Club are invited. A special feature of the Museum trip will be an exhibition of the works of the late Alexander Calder, one of the most outstanding sculptors of this century.

Members of the Mr. and Mrs. Club are asked to meet at the Whitney Museum, 945 Madison Avenue at 75 Street, *promptly* at 7:30 p.m. Following the tour, the group is invited to return to the synagogue for a late supper and social hour.

If you are not a member of the Mr. and Mrs. Club and wish to join, you may do so by sending your check for dues—\$10.00 per couple—to the Mr. and Mrs. Club—Park Avenue Synagogue, 50 East 87 Street, New York, N.Y. 10028. We hope that you will join in time to avail yourself of the opportunity of visiting the Museum, always a highlight on the calendar of synagogue events.

Calder's works have been prominently featured in our synagogue Art Shows for several years. The exterior of the World Trade Center is enhanced by a piece of sculpture designed by this outstanding artist.

Mr. and Mrs. Jacques Bienenfeld and Mr. and Mrs. Jack Wolf, chairpersons of the Museum trip, have planned an exciting evening and hope that members—those of long standing and those who have recently joined, will attend.

On Sunday, December 12, the Elementary Department of our Religious School, presented a Bicentennial Pageant depicting the contributions made by our forefathers of 200 years of American history.

A capacity audience enthusiastically watched as grades *bet*, *gimel*, *daled* and *bay* presented a play "Francis Salvador" 1747 - 1776, directed by Miss Ann Szamosi. The story was narrated from the four corners of the Lemberg Auditorium under the supervision of Mrs. R. Wolk. The scenery for the play was created by Mrs. E. Levinson; the stage-

## Sisterhood Meeting Tuesday, January 18

**Dr. George Speck, Art Therapist, Guest Speaker**

Dr. George Speck, psychologist, professional artist, lecturer and author, will be the guest speaker at Sisterhood's open meeting on Tuesday afternoon, January 18, at 1:00 p.m. in the Lemberg Auditorium. A registered art therapist and certified graph-analyst, Dr. Speck is well versed on the topic he will discuss at the meeting: "One Boy's Communication of his Emotional Problems through Art Therapy". His talk, illustrated with slides, will point out how a particular child was able to make a satisfactory adjustment due to personality problems to his home and school life through art therapy.

Dr. Speck was awarded the first doctorate in art therapy in this country from New York University. He also received NYU's Founders Day Award for his outstanding contributions to scholarship. He has appeared on NBC's *Tomorrow* show with Tom Snyder and, in London on Thames, TV's *Today* show with Monty Medlyn.

For a number of years he worked with emotionally disturbed children before accepting a post as assistant professor of art at Long Island University's Zeckendorf campus for five years, where he was also acting chairman of the art department.

Since 1961 Dr. Speck has had 26 one-man exhibitions in this country and England. His works are in corporation collections, colleges, universities, hospitals and libraries. Some of the private collec-

tors include singers Zinka Milanov, Lauta Castellano, Caterina Valenti, Phyllis McGuire and Bobby Darin; actress Kim Hunter; writer Robert Ruark, composer Charles Gaynor, as well as other theatrical personalities and prominent lawyers, noted bankers and businessmen.

Following the lecture and question and answer period, a social hour will take place during which coffee and cake will be served.

Mrs. Charles Beller is chairman of Program and Mrs. Herman Levine in chairman of the day.

On Friday night, December 10, Sisterhood observed her annual Sabbath Service. Naomi Levine, National Executive Director of the American Jewish Congress, spoke on "Problems and Prospects of the American Jewish Community 1977. Her talk was unusually interesting and thought-provoking.

Sisterhood wishes to thank the following ladies for supervising the *Oneg Shabbat* which followed the service: Mrs. Herman Berger, Mrs. Sidney Friedman, Mrs. Isidor Hahn, Ms. Sue Wasserman and Mrs. Muriel Willins.

Sisterhood is grateful to Mrs. Arthur Fine for the generous contribution she gave in appreciation of the beautiful afternoon meeting during which Juliette Benton discussed "World of our Fathers" by Irving Howe.

craft by Mr. A. Adelman and the costumes by Mrs. S. Brooks. Study units were guided by members of the faculty: Mrs. V. Finkel, Miss V. Hubara, Mrs. Z. Livne, Mrs. L. Susskind and Mr. A. Adelman.

The pageant represented the culmination of a month's study of the history of the Jews in America from 1654 to the present day. The study units covered the immigration and settlement of Jews from Germany, Central Europe and Eastern Europe during the 19th century.

Clarinet and bass by Avraham Shilo and piano accompaniment by Myles

Samotin and the children's choir added to the enjoyment of the pageant.

Mrs. Rahel Bloch, Principal of the Religious School, dressed in an authentic Dutch costume, greeted the parents, students and guests in Dutch, her native language. Mrs. Vivian Finkel in a beautiful gown such as Martha Washington must have worn, and Mrs. Leah Susskind, lovely in a colonial dress, added to the merriment.

We congratulate Mrs. Bloch, members of the faculty and the students on this fine presentation, a meaningful conclusion to the Bicentennial year.

## Three Paintings Presented to Synagogue

Dr. Esther Oshiver Fisher, who, with her husband, Dr. Mitchell Salem Fisher, are members of Park Avenue Synagogue, has recently presented to the congregation three paintings by her late father, Harry J. Oshiver. The subjects of the picture are *The Cheder*, the first version of which is at The Jewish Museum, *Moses and Aaron* and *Herzl*.

In a letter to Rabbi Nadich, Dr. Fisher wrote her reasons for giving the three paintings: "in gratitude for the solace and beauty of your services and in memory of my father, the artist, and my mother . . .". Dr. Fisher also expresses the hope that the children of *The Cheder* will capture something of lasting value from the paintings. In accordance with this hope the paintings will be hung in the school building. The painting of *Herzl* is a gift of both Dr. and Mrs. Mitchell Salem Fisher.

The artist, Harry J. Oshiver, was the subject of an article in *Graphic Arts Review* for September, 1938. He studied drawing and painting at The Pennsylvania Academy of Fine Arts and in various art institutions in Europe. He won a gold medal for a painting of the Philadelphia Sketch Club. He was a member of The Fellowship of the Pennsylvania Academy of the Fine Arts and for several years was on the Board of Managers of the Academy. He was one of the outstanding personalities in the modern school of American master printers as proprietor of the Oshiver Studio Press of Philadelphia. He enjoyed a reputation as a fine artist, designer, typographer, bookbinder and producer of deluxe editions.

Interesting notes by Mrs. Fisher explain that the painting entitled *The Cheder* illustrates her father's love of Jewishness and Jewish learning; the painting, *Moses and Aaron*, his deep appreciation of values and discipline; the painting, *Herzl*, his awareness of the significance of the new world of Zionism.

## A Speedy Recovery

We are sorry that our friend and member of the congregation, Mrs. Saul Mehlman, is ill and we send her best wishes for a speedy and complete recovery.

## Evening Hebrew Course Are You Interested?

Several professional women in the congregation have expressed their desire for a Hebrew course to be given on a week day evening. The course would be open both to men and women and would meet one evening a week during the spring semester for a period of ten weeks, provided that there be a sufficient number of people who would register for the course. The course would aim to teach Hebrew reading so that students would be able to read the prayer book and become familiar with its contents.

Men and women interested in registering for such a course for the spring semester beginning the latter part of January, 1977 are asked to write or telephone Mrs. Norma Daub at the synagogue office.
